

Authentic Manhood

Part of the Men's Fraternity Series

If you, like most men, do not have a clear understanding of what it means to be a real man and your assumptions are based on myths and misinformation, then this course may be for you. It will help you to clearly define authentic manhood and to become the man God wants you to be.

Course Description

Men's Fraternity provides men with an encouraging process that teaches them how to live lives of authentic manhood as modeled by Jesus Christ and directed by the Word of God.

Men's Fraternity was designed to help men come together and strengthen each other through weekly sessions that combine biblical teaching and small group interaction.

This DVD series is designed to engage the heart as well as the mind, stripping away the myths of manhood, and focusing on how each individual can be transformed into a true man of God.

When men connect in life-changing ways, a powerful ripple effect touches families, workplaces and the church. Deeper connections with God and other men inspire participants to connect more meaningfully in all facets of their lives. They climb beyond the walls of isolation and aspire to a biblical viewpoint marked by integrity, boldness and compassion.

Who Should Enroll?

This course is for any man who wants to know how to become the man he's supposed to be. If you have difficulty knowing what it is to be an authentic man and knowing whether you are one or not, this course will help you answer these questions. This course is suitable for the new believer, the not-yet believer or the maturing believer.

What's Involved?

The format is simple: Men come together for weekly 45-minute teaching sessions by Robert Lewis on DVD, followed by 30 minutes of small group interaction in an environment where men are free to talk openly and confidentially about what they heard and to express mutual support for one another.

The true power of Men's Fraternity lies in bringing men together on common ground to learn together and listen to each other. Bonds of true God-centered friendships are formed as men encourage each other week-by-week to more fully embrace a godly view of manhood.
