This Sunday's Service

This Sunday, we will conclude our April series *Pursuing Impact Together*. As we pursue God, we experience the gifts of the Holy Spirit that glorify God when we serve others. Our impact in the World is often measured by our care for others.

As our society continues to spin into division and unrest, it seems everyone agrees that hatred and conflict cause suffering. We may wonder *why* is love of others the measure of our faith and our love for God?

Perhaps because 'loving one another' is God's plan to address the suffering of the World.

Several 'one another' passages come directly from the law, the prophets and the teaching of Jesus himself. And then the letters of the apostles exhort us with over 30 "one another" verses in the New Testament. This Sunday, we will discuss the conversations of those who met Jesus and examine the "one another" commands and commentary.

In addition, we will offer the Discover Deerbrook class after service, for people interested in learning more about Deerbrook's history, ministries and theology. Please consider joining us.

"For this is the message you heard from the beginning: We should love one another." 1 John 3:11
